Farm Technology Budget Template

A template for planning a farm technology budget, giving owners an outline to list planned purchases, subscriptions, training, and repairs for the year. Print it and keep a copy with your records.

Farm / unit: _____ Date: _____ By: _____

Technology goals for the year

Hardware purchases planned

Software subscriptions

Connectivity costs

Training costs

Repair and replacement reserve

Funding or cost-share sources

Approval and review dates

TIP List needs by priority and ask your accountant how purchases may be treated for tax.
