Farm Technology Field Day Guide

A guide for organizing a field day about farm technology, helping hosts plan stations, safety, parking, and demonstration flow. Print a copy, follow each step in order, and keep the guide handy where you work.

Farm / unit: _____ Date: _____ By: _____

1. Pick a goal and target audience
2. Choose the field and date
3. Plan demonstration stations
4. Arrange parking and walkways
5. Plan safety briefings and signs
6. Line up speakers and vendors
7. Prepare handouts and a sign in sheet
8. Check restrooms and shade
9. Gather feedback afterward

YOUR NOTES

TIP Walk the route ahead of time with your helpers and check insurance needs with your agent.
