Precision Ag Display Comparison

A worksheet for comparing precision agriculture displays, helping farmers score features, screen use, and compatibility side by side. Print a copy, fill in each line by hand, and keep the finished sheet with your records.

Farm / unit: _____ Date: _____ By: _____

Display brand and model _____

Equipment it works with _____

Screen size and readability _____

Software updates and fees _____

Data export options _____

Dealer support nearby _____

Ease of use in a trial _____

Quote received _____

Our score _____

NOTES / CALCULATIONS

TIP Try each display in the cab if you can, since screen glare and menu layout matter more than a spec sheet shows.
