Robotic Milker Maintenance Log

A maintenance log for robotic milking equipment, used by dairy staff and technicians to record cleaning, parts, and service visits. Print a copy, fill in each row as the work happens, and keep the sheet with your records.

Farm / unit: _____ Date: _____ By: _____

Date	Unit	Task done	Parts used	Technician	Initials

TIP Follow the manufacturer's service plan and log every alarm, since patterns help technicians find problems faster.
