Technology Adoption Decision Guide

A guide for deciding whether and when to adopt a new technology on the farm, with a clear set of questions to answer before buying.

Farm / unit: _____ Date: _____ By: _____

1. State the problem in one sentence
2. List options including doing nothing
3. Check what neighbors have tried
4. Ask for a trial or demonstration
5. Confirm it works with current equipment
6. Check support and training available
7. Estimate total cost with your own records
8. Decide, and set a review date

YOUR NOTES

TIP Write the decision and the reason down, so a year later you can judge whether it was a good call.
