# Technology Quick Reference Card

A quick reference card for farm technology, giving users a one page summary of settings, contacts, and first steps for common problems. Print it and keep a copy with your records.

Farm / unit: _____ Date: _____ By: _____

1. Farm name and date
2. Equipment and software list
3. Key settings to restore
4. Support contacts
5. First checks for common faults
6. Where backups are kept
7. Login recovery steps
8. Emergency contacts

**YOUR NOTES**

**TIP** Tape a copy in the cab and keep a second one in the office.
