Technology Trial Field Day Guide

A field day guide for technology trials, helping hosts plan how to show visitors the plots and results. Print a copy, follow each step in order, and keep the guide handy where you work.

Farm / unit: _____ Date: _____ By: _____

1. Choose the trial and the date
2. Mark plots with clear signs
3. Prepare results handouts
4. Plan the walking route
5. Arrange safety briefing
6. Invite neighbors and local advisors
7. Set up questions time
8. Collect feedback afterward

YOUR NOTES

TIP Share the results with the data, good or bad, so visitors trust what they see.
