Technology Trial Protocol Template

A protocol template for on-farm technology trials, giving farms an outline to set up fair comparisons and record results. Print a copy, fill in each section by hand, and keep the finished sheet with your records.

Farm / unit: _____ Date: _____ By: _____

Trial question

Technology being tested

Fields and layout

Comparison strips

Treatments and timing

Data to collect

Who collects it

Analysis plan

Signatures

TIP Set up the trial so you can compare strips side by side, and ask your extension office for design advice.
