Technology Vendor Evaluation Form

A form for comparing technology vendors, helping farmers record answers from each seller on product, support, data, and references. Print a copy, fill in each field by hand, and keep the finished form with your records.

Farm / unit: _____ Date: _____ By: _____

Vendor name and contact _____

Product or service _____

Compatible equipment _____

Data ownership terms _____

Support hours and method _____

Training offered _____

Quote received _____

References contacted _____

Overall impression _____

NOTES / CALCULATIONS

TIP Fill out one form per vendor with the same questions so comparisons are fair.
