Grazing for Wildlife Habitat Guide

A grazing for wildlife habitat guide with steps for adjusting livestock timing, rest, and stocking so pasture supports both animals and wildlife cover and is free to print.

Farm / unit: _____ Date: _____ By: _____

1. List pastures and wildlife goals
2. Note nesting and fawning seasons
3. Plan rest periods
4. Adjust timing of grazing
5. Keep cover in some areas
6. Protect water edges
7. Watch plant response
8. Adjust stocking as advised
9. Record results

YOUR NOTES

TIP Ask your NRCS or extension grazing specialist to help set timing for your own pastures.
