Waterfowl Hunting Blind Plans

A waterfowl hunting blind plans guide listing steps for planning, building, and placing a blind on private water or marsh so hunters have safe and sturdy cover.

Farm / unit: _____ Date: _____ By: _____

1. Check hunting rules and permission
2. Choose a location
3. Select a plan and materials
4. Build a sturdy frame
5. Add natural cover
6. Anchor against wind and water
7. Plan safe access
8. Mark the blind if required
9. Inspect each season

YOUR NOTES

TIP Review state rules on blind placement and safety before building one so records stay accurate.
