Wildlife Emergency Plan

A wildlife emergency plan template for farms to outline steps when wildlife poses an urgent hazard, including contacts, safe handling, and who does what and is free to print.

Farm / unit: _____ Date: _____ By: _____

Emergency contacts

Types of emergencies

Safe handling rules

People responsible

Equipment on hand

Communication steps

Animal control contacts

Reporting steps

Training plans

Plan review

TIP Post the plan where workers can see it, and practice the call steps with your crew.
