Wildlife Field Day Planning Guide

A wildlife field day planning guide listing steps for hosting a field day on the farm, from goals and speakers to safety and follow-up with attendees.

Farm / unit: _____ Date: _____ By: _____

1. Set the field day goals
2. Choose a date and weather backup
3. Pick stations on the property
4. Invite speakers and agencies
5. Plan parking and restrooms
6. Prepare safety briefings
7. Arrange signs and handouts
8. Collect sign-in information
9. Gather feedback afterward

YOUR NOTES

TIP Invite your extension office and NRCS, who often help with speakers and materials.
