Wildlife-Friendly Farm Dog Training Guide

A wildlife-friendly farm dog training guide listing steps for teaching working and pet dogs to leave wildlife alone, with a focus on safety, calm control, and nesting areas.

Farm / unit: _____ Date: _____ By: _____

1. Set clear goals for the dog
2. Teach basic commands first
3. Use a leash near wildlife areas
4. Teach leave it and recall
5. Reward calm behavior
6. Keep dogs out of nesting areas
7. Vaccinate per your veterinarian
8. Review progress often
9. Seek a trainer if needed

YOUR NOTES

TIP Work with a qualified trainer and ask your veterinarian about disease risks from wildlife contact.
