Wildlife Habitat Management Plan Template

A wildlife habitat management plan template for landowners to outline goals, existing habitat, planned practices, and review steps so conservation work on the farm stays organized and easy to update over time.

Farm / unit: _____ Date: _____ By: _____

Property description and map

Wildlife goals and target species

Existing habitat types

Limiting factors

Planned practices and timeline

Cooperating agencies and advisors

Monitoring approach

Annual review notes

Signatures

TIP Work from an aerial map of your property and sketch each habitat practice on it before filling in the written sections.
